

Charles Kendall BioLogistics Overview

Event Logistics in Pharma & Life Sciences

Charles Kendall have been the leading UK exhibition logistics operator in the Pharma & Life Science sector for over 10 years. At **Charles Kendall BioLogistics**, we choose not to be all things to all men, which is what makes us unique in our field as an Events Logistics company, who are happy to grow inside a market sector that has one of the largest growth areas in the British economy. We shall continue to offer our clients a complete and dedicated door-to-door exhibition service.

Working closely with our overseas offices and agents, we will continue to support British Exhibitors at Pharma & Life science events throughout the world.

Our aim is to ensure that our customers receive a professional and personal service to allow them to have a trouble-free exhibition experience.

Any event, anywhere, anytime

Wherever you exhibit, **Charles Kendall BioLogistics** will be able to offer you the complete exhibition service, working in close co-operation with our sister company, Charles Kendall Freight, we are able to offer all our exhibition clients a tailor made solution to any event, anywhere in the world.

Having already shipped large and small groups and individual exhibits to over 180 Exhibitions world wide, we are confident that the level of service we can offer is second to none in this very important field.

NB: Charles Kendall BioLogistics & the Charles Kendall Group including all subsidiaries and holdings, do not engage in nor are they associated directly or indirectly to animal testing in any form.
