

China Ocean Inbound Service

Ocean Services

Charles Kendall are currently offering a wide range of FCL services across all the major carriers. Rates are highly competitive and reviewed every month to bring you the best possible price in the market. Our port to port rates will be inclusive of all applicable current surcharges.

Our fixed weekly LCL services operate from Shanghai, Ningbo, Xiamen, Yantian, Guangzhou, Dalian, Tianjin and Hong Kong. Co-ordinated by our Import Gateway Department at Felixstowe we offer express devanning, clearance and delivery across the United Kingdom.

Regulations

Different countries have differing customs & duties regulations which importers need to be aware of, ranging from packing specifications to licensing and certificate documentation.

We can provide expert advice on all important country and international regulations to ensure you don't get caught out.

Charles Kendall have been AEO (Authorised Economic Operator) certified since 2010.
